Resolution 2026-155

Authorization to Select Firm and Begin Contract Negotiations for the Woodchuck Hill Road Bridge Replacement Project (BIN 2204660)

WHEREAS, the Town advertised a Woodchuck Hill Road Bridge Replacement Project Request for Qualifications (RFQ) using the NY State County Highway Superintendents Association (NYSCHSA) Local Design Service Agreement (LDSA) procedures and list for Region 2 to aim to select a consultant for the project; and

WHEREAS, the Town seeks a qualified grant writer to assist with completing a grant application to the Herkimer-Oneida Counties Transportation Council's Local Bridge Preliminary Engineering Program, which is intended to give local governments an opportunity to complete bridge preliminary engineering studies ahead of the next NYSDOT Bridge NY program solicitation; and

WHEREAS, the Town received four qualification submissions, which were ranked individually by each member of the Town Board, as the evaluation committee for the project.

NOW, THEREFORE, BE IT RESOLVED that the Town Board hereby ranks the qualification submissions as follows: (1) ___ (2) ___ (3) ___ (4) ___; and

BE IT RESOLVED FURTHER that the Town Board hereby selects ___ for the Woodchuck Hill Road Bridge Replacement Project based on their submitted qualification submission (Appendix A.1) and authorizes the Town Supervisor to begin contract negotiations with said firm.
