5. Citizens Comments: Mark Nordigian from the Kenosha County Board updated us on sections of Highway 75 that have been changed to County Highway BD. And a portion of the former County Highway KR is now Highway 195, which the state is now paying the full cost of the maintenance on. Brandon Heron made a request to investigate resurfacing the roads in Randall Farms soon. John Blakeman is in favor of keeping the light on 89th Street. In addition, when they exit the subdivision on 89th Street when you turn left, it is a blind turn, and the cars do not see them when pulling out. He is asking if there is a sign that can be posted such as a blind driveway or dangerous intersection sign on 360th Avenue coming out of Twin Lakes, more than one person has almost been hit pulling off of 89th Street. He also asked if the curb and gutters on 89th Street could be cleaned out a little more often, especially in spring & fall. Justin Zmich lives on 89th Street and is against the streetlight. Nick Boss lives on 89th Street asking if the grass in the front of the houses could be mowed, as it is not mowed.

Town Board & Plan Commission items:

- a. None

Town Board items:

- b. Streetlights within the Town, specifically 89th Street and Lakeside Park. Chairman Gaffron suggested shielding the light all the way around to start, test to see if it is not too bright. Chairman Gaffron will start with the above and go from there. Mike Butler discussed a modification on the light at Lakeside Park possibly turning the light off at the park closing or change to a warmer color instead of so bright. Chairman Gaffron suggested making the light a warmer color, re-aiming the light more towards the park grounds and requesting a timer so the light shuts off at 10 pm. After discussion a motion by Kemp/Horbach to make the above changes, motion carried.
 - c. Street signs in Ukrainian Village and the entrance of Ridgeway. After discussion the Town will have signs placed in Ridgeway subdivision for 118th Street and 333rd Avenue.
