It was decided by the board that the sign should read “Turtle friendly community.”

b. Holiday lighting – test and verify power to pigtails. How to go about removal and relocating of brackets on poles?

Fran presented findings from the research that was done regarding pole placement and light placement.

The board decided to remove 15 pigtails, and thus lights, from the “wet” side of Gulf Blvd. 9 pigtails will be added to the “dry” side of Gulf Blvd. to any poles currently without them. Also, 9 pigtails will be added to various poles around the streets in town. These pigtail moves will allow lights to be mounted on the poles.

c. Review the 2024 Calendar – Movie night/Santa’s Angels, consider moving trunk or treat to safety day, Oct 21st.

The safety event begins at 11 p.m. and ends at 2 p.m. The trunk or treat will begin at 5 p.m. and end at 7 p.m. Final event spot (trunk or treat) will be discussed at next meeting along with final plans for the event.
