NEW BUSINESS

A. Public Budget Hearing – Fiscal Year 2026-2027

Commissioner Kornitschuk reported that the budget looks fine, with the exception of the FEMA reimbursement funds, which have not yet been received. He also noted that the budget hinges on Amendment 3, which should have a minimal effect on the Town since many of the new homes being built are not homesteaded.

Commissioner Wilkins requested clarification on the "dues and subscriptions" budget line item, which increased due to the Forerunner platform purchased in FY2026.

Commissioner Cariello noted that protective services expenses would increase if an additional code enforcement officer were hired. Commissioner Kornitschuk reported that funds are available in the budget if needed. Motion by Commissioner Kornijtschuk to adopt the tentative millage rate of 1.8149%. Second by Commissioner Wilkins. No Board discussion. No more public comment. Motion passed unanimously.

Sue Ferenc 15524 Redington Drive asked about \$1.7 million in the capital fund under appropriated reserves. Commissioner Kornijtschuk explained that this is carry-over from previous years for the road resurfacing project.

Motion by Commissioner Kornijtschuk to approve the tentative budget, second by Commissioner Cariello. Motion passed unanimously.
