7. A) Members discussed recommendations to the town board regarding steps to take in guiding their decision whether to repair and remodel the current town hall or construct a new one. It was felt a certified building inspector would identify needed repairs but an architect would submit plans for appropriate remodeling and to bring the current hall up to code. That wording was added to the previous list of recommendations discussed at the June 15th meeting. M/S Craig/Joe to approve the revised list of recommendations which Earl will share with the Town Board at their next meeting. A roll call vote was conducted. All Ayes. Motion carried.
8. Discussion and possible action for upcoming meeting: none.
9. M/S Lea/Craig to adjourn the meeting; all Ayes. Motion carried.

Respectfully submitted,
Lea Ratajczyk
