Public Input-

Dave Alnes had a concern about a constituent from adding on to a house that the setback is less than the required distance from the center line. After some discussion, the board recommended allowing the addition as long as it does not include building closer to the road.

Jim Fuller informed the board that he no longer will be working for the Town of Seneca. He informed the board that the truck needs an oil change and to have the front end greased.

Dec. 25th is a Wednesday so there will not be Garbage pick up that day. Dean will discuss open hours for the Saturday after. He will also discuss New Years Eve. And the hours will be posted on the front door and the website.
