DISCUSSION ITEMS

Farmers Market : Farmers Market is picking up but the Board feels we need more signage and communication. John will look in to signage and pricing.

Picnic – Various contact responsibilities split between Board and Staff.

Technology - Discussed using ARPA funds for acquisition of computers for office and shop, printer for shop, upgrade of security system, and Chrome books for elections, as well as software upgrades. We will switch to Bloomer Broadband for internet and phone as soon as service is available. At that time, we will obtain new phones and possibly have new phone numbers / new email addresses. Also discussed possibility of moving newsletters and other communications to email and/or website access to save cost of printing and postage.

Salt Shed – discussed need for re-roof of salt shed.

Bathrooms / Hall Updates – discussion tabled to later date.

Training Options and Costs – Board supports as much training as possible for Clerk/Treasurer and Deputy Clerk / Treasurer as well as the Mentorship program.

Solar Energy – Chair Janssen is awaiting response from WTA attorneys regarding Solar Energy.
