

Meeting Called to Order by Doug Plouron 7-30-2025 at 7:00 am

Present: Jason Crotty, Lenny Germain, Tim Witzmann, Doug Plourde and Shane Demulling by attended phone. Also in attendance were Joe Hoheisel and Wally Neumann.

Town Crew updated the Board on conditions and scope. All roads are open except 68<sup>th</sup> Street off 200<sup>th</sup> which had downed power lines. Number of trees down and in town ROW is in the hundreds if not the thousands.

Jason Crotty recommended it be a 3-phase approach to the storm damage

1. Clear roads to make accessible which is primarily complete.
2. Address Safety Issues such as trees hanging over roads and widow makers.
3. Determine long term cleanup efforts

Contacted Greg at NR Tree Service and he will work with Town Crew to Identify locations to resolve phase 2 starting this afternoon and anticipating a couple of days at most to resolve. Will request approximate cost and requested certificate of insurance.

Contacted Cori Kohls to sweep roads with heavy branch debris at 100 per hour anticipating a cost not to exceed 1500.

Agreed to accept tree debris from Town Residents Only – NO commercial Dumping at Town Parking Lot SW corner. Jeri to update website with that info and Doug to update voicemail with that info or direction to go to website.

Phase 3 will be addressed at the Tuesday, August 5th T and F meeting.

Minutes taken by Tim Witzmann on 7-30-25.
