

**HEALTH, SAFETY AND ENVIRONMENT COMMITTEE MEETING MINUTES**  
**TOWN OF SPIDER LAKE**  
**Tuesday, May 5, 2026**  
**3:30 pm**  
**Town Hall**

1. Call to Order
2. Attendance: Conroy, Johnson, Thearin, Lawton, and Mickelson. Amery absent
3. Approval of the agenda: Motion Conroy, second by Thearin. Motion carried.
4. Approval of Jan. 13, 2026 meeting minutes
5. Boating Ordinance Enforcement Discussion: The committee reviewed the memo from D. Mickelson concerning enforcement of our lake ordinances. The addition of two new ordinances in the last 6 months was noted as a reason to revisit our enforcement efforts. Education of our community remains our first enforcement effort. A new tri-fold mailing was reviewed and forwarded to the town board. A number of taxpayers and electors participated in the discussion of a "Limited Safety Officer". Under consideration are budget, personnel qualifications and potential liability as well as the perceived need for this individual. It was reported that all necessary documentation is now in place at the Sawyer County Circuit Court so that the Town of Spider Lake may issue citations/fines for violations of all Town ordinances. Reporting via the website and more website content were recommended.  
All items were forwarded to the Town Board of Supervisors for final discussion and possible action prior to the 2026 boating season.

Meeting adjourned at 5:15 pm

Respectfully submitted,  
Quentin Johnson, Chair
