CHEQ CHALLENGE (*fka* CHEQUAMEGON 100)

Event Date: August 1, 2026

This marks the 5th year that Chequamegon Area Mountain Bike Association (CAMBA) has been the owner of the Cheq Challenge (*fka* *Cheq100/Chequamegon 100*) endurance race. This year's race is planned for Saturday, August 1, 2026

The Cheq Challenge is a self supported endurance race using CAMBA trails, some short sections of the American Birkebeiner Ski Trail, and portions of a few gravel roads.

Individual racers will have three distances to choose from: approximately 100k (62 miles), 50k (31 miles), and 30k (18 miles). The start and finish will be at the Hwy OO Trailhead, the same as last year. Riders will be required to follow all traffic laws and yield to motor traffic at road crossings. Course markings will be installed one week prior to the event and removed within one week after the event. A proposed map of the 100k, 50k and 30k routes have been included.

The event is being managed by CAMBA's Events Team. Daryl McNutt is the Race Director. Timothy "TJ" Barnes is the Chief of Course.

Registration for the event is available online only. A link to it can be found on the CAMBA website at <https://www.cambatrails.org/events/cheqchallenge>. We are capping the number of participants at 150 for each distance, but expect to have between 200 and 300 participants total this year. Race fees range from \$25 for youth registrations to \$55 for adults registrations. All CAMBA members receive an additional \$5 off with our promotional code (CAMBAMember\$50FF).

CAMBA is a 501(c) (3) organization that maintains a network of purpose built mountain bike trails in Sawyer County, Bayfield County, and the Chequamegon National Forest. This trail system is a significant asset for the area and draws visitors from all around the nation. All proceeds from the event will support CAMBA's trail maintenance program.
