Flowers were planted at the Covered Bridge Park. There's a celebration of life on June 29th and the prairie garden was sprayed and will be sprayed again in the fall.

Mike reported the port a potty was placed at Round Lake. The septic tank was pumped at the Covered Bridge House. Brush was removed from around road signs. Chip sealing will occur after July 4th and hopes to have mowing completed by July 4th. Discussed moving the mowing schedule up so the grass isn't so tall on the first cutting. Regraded some roads and landings.

John Collins and George Ernst gave a presentation on Enhanced Wake Technology. The Board commented that enforcement is challenging and having a more uniform ordinance throughout the County is beneficial.

The Board discussed Gilbert Lake access. C/Hernandez reached out to the DNR to see what the Town's responsibility is in regards to lake access.

Cory Zibuny, agent and Nick Thomas gave a presentation on Project Harmony on Long Lake. The Board stated since this is a conditional use permit they should request a rezone to RS-20 which would accommodate 2 single family residences which would be consistent with the future land use plan. This is the same suggestion that was made to Nick the last time he brought this project to the board. No action was taken.

Future agenda items include reviewing the boating ordinance, lake usage of budgeted funds and reassessment of township.

Motion by S/Johnson, Second by S/Baitinger to adjourn the meeting at 8:15pm. Motion carried.

Respectfully submitted to the Board by Clerk Yeska.
