The chairman opened the meeting and requested those who wanted to speak during the meeting to sign the roster. There was some disagreement about this. Motion by Pam Bonczyk/Dave Kochendorfer 2nd to have the sign in roster used and to allow each individual 3 minutes to speak. It was also clarified that the elected board officials would be running the meeting, not the representatives from the Comprehensive Plans committee. It was also noted that there were to be no interruptions or debates during the meeting. **Dave Kochendorfer Aye, Pam Bonczyk Aye, Annie Huiras, Nay. Motion carried**
