Property pins at various locations were identified to show the location of the South Dretzler ROW. The group walked the ROW from Sturgeon Blvd to Lakeshore and back. Photos were taken. There is a lot of material in the ROW obstructing use of the ROW and caused the group to encroach on Dennis and Rose Hayes' property in order to pass.

Upon completion of the tour the group agreed that they had a good understanding of the boundaries and current status access on the ROW.

No additional discussion was posted nor done.

Meeting ended at 5:00 pm
