Committee reviewed the minutes of January 14, 2026. Motion by Nancy Ohman and seconded by Scott Lebuis. Motion carried. 4:0

Linda Goldsworthy on behalf of the Three Lakes Community Foundation (TLCF) was invited to join this meeting in hopes of collaborating our efforts in fundraising for the redevelopment of this park. TLCF can offer grant writing, online platforms such as video appeals, collect donations, marketing, specific campaign and publicity for Cy Williams Park. Linda highly encouraged the committee to apply for a grant with the TLCF as they assist in funding projects that fit similar goals.

Committee members discussed the entire park as it is today and what we would like to see in the future. Closing the section of Lake Drive that runs along the beach and having the ability to open it to traffic for detours was suggested. Changing the parks topography/landscaping, removing and updating buildings and playground equipment were all up for discussion. It is the intent of the committee to reach out to both professionals and community members who have backgrounds in the specific areas within this project.

Next meeting is scheduled for March 5, 2026, at 5:00 p.m. in the Three Lakes Municipal Building.

No public comments were heard.

Future agenda items discussed having committee members bring a 'wish list' to the next meeting and the TLCF grant application.

Motion to adjourn by Sue Harris second by Anita Kendall to adjourn at 6:23 p.m. Motion carried. 7:0
