George Spaeth, 1791 Wallace Lake Rd. If the town issues kennel licenses, can the town enforce barking and dogs at large?

Larry Wilkens, 6380 CTH HWY M, is concerned about reckless driving in the town. CTY HWY M and State Road 33 have a large amount of motorcycle traffic, and they are driving very fast and do not obey speed limits.

John Jansen, 5939 Wausaukee Rd. Thank you to the board for signing the resolution against the proposed power lines. Jansen would like the board to approve an Operations Ordinance before the CAFO is approved by the DNR, as this will be the only way the town can enforce or monitor the farm.

August Bank Statement Reconciliations. **Davies moved to approve the August Bank Statement Reconciliations, seconded by Thoma. Motion carried 3-0.**

Multiple Dog License Application (Revision) for Ruth Hall, 1171 Decorah Rd. This is a temporary situation; they are caring for dogs whose families are in the military. **Davies moved to approve the Multiple Dog License for Ruth Hall, seconded by Thoma. Motion carried 3-0.**

Land Division Ordinance Discussion. Per Komro, the Plan Commission was presented with material on land divisions to assist in creating a subdivision ordinance for the town. The Town Board would like to see this completed in a timely manner; the ordinance could be approved and revised as needed.
