Application: Petition for Variance – Building a Garage by James and Mary Haraldsen as owners and applicants. The property is located at N9649 Hilltop Drive, East Troy and is identified as Tax Key # LK 00018. Description: LOT 18 BLK 1 KETTLE MORAINE ESTATES. The applicant is asking for a setback from the right-of-way of 25.8 ft.

Summary of Actions Taken:

- Application was reviewed at the May 5, 2026 PC meeting. More information needed regarding the unique limitations of the steep slope.
- Discussion at the June 3, 2026 meeting included the possibility of moving the angle of the proposed garage so that the setback variance from the right-of-way will be less than originally requested.
- On July 1, 2025, applicant presented a sketch showing they moved one corner of the garage 10' and another 9'. Applicant states that the change reduces variance to 20'.

Determinations: Applicants moved the angle of the garage allowing less of a setback variance than originally requested. They demonstrated the unique limitations of the steep slope on the property.

Recommendation: To approve the revised variance as sketched by the resident with the recommendation that they have the survey redrawn professionally.

Application:

Application to Amend an Existing Conditional Use Permit by Humble Oak, LLC/Erin Houlihan as applicant and Yggdrasil Land Foundation, Inc. as owner. The property is located at W2743 Friemoth Rd, East Troy and is identified as Tax Key #LT 3600007. Description: E 1/2 SW 1/4 SEC 36 T4N R17E.Exc. Hwy 79.34A.

Summary of Actions Taken:

The application was reviewed at the July 1, 2026 Town of Troy Planning Commission meeting.

Per Erin Houlihan, applicant, Humble Oak Outdoor Learning currently has two yurts to accommodate three programming levels, as well as any other learning/community gatherings. As the program is growing and more older children are continuing and wanting to participate on more days they are needing to have more indoor shelter space for inclement weather days. A third yurt would allow enough room for indoor shelter when needed and provide a multi-use space for community learning gatherings. Currently, they have no aggressive recruitment plans.

Determinations:

The plan was well presented. There is no impact on water, sanitation or waste removal.

Recommendations:

To approve the application to amend an existing conditional use permit.

Meeting Notes
Future Residential Planning

July 1, 2026

Task: We are required to address lower or middle-income housing growth. How do we want to do this?

For our planning there are two things we need to address.

1. Make sure our 2050 comprehensive plan corresponds with the new legislation.

2. We want to make sure what we do is in sync with County Zoning ordinances. While we rely on the ordinances, we think we have the ability to be more specific or possibly more restrictive at the township level - as long as our plan doesn't contradict County or State rules and regulations.

We are required to be specific. For instance, what's approved as a conditional use and what is not approved.

Example: "Not approved – car wash. Approved – historic car restoration."

Example: "Not approved – storage building. Approved – woodworking and craft building."

Open Discussion:

- As a town we need to be sure our plan has verbiage. It's about words. The presenter at the last UW/County training session stressed the importance of firming up language.
- Another reason to review what is written is the Kickapoo Development v. Town of Viroqua litigation that our attorney shared. The attorney recommends that municipalities firm up and bolster their subdivision ordinance standards. Municipalities can no longer rely on general welfare provisions, vision statements or purpose clauses alone to deny subdivision plats. Municipalities need to carefully draft any notices of disallowances/denial to ensure it accurately reflects the rationale/discussion of the denial.
- Although we want to keep our town agricultural, we are going to be forced to provide more residential areas. It wouldn't hurt to get more of a tax base in our town. It's important to look where we could do this without cutting into our farmland. Example, if we develop more of a residential area around Troy Center, should expanding the water system be part of the plan? Build a water tower. Develop a good municipal water system. It's better for fire protection and it will reduce insurance rates.
- We need to address infrastructure.
- To develop a new plan, we need to have a lot of voices in the planning stages. We discussed the possibility of a Public Forum.
- The common denominator in the housing considerations and keeping us out of trouble with developers who come in and are denied is specificity. That's our starting point - whether it's County based or we are doing something separate where we want to have a little more control about where these developments go.
- Data centers should be added to next month's agenda so that our commission may discuss it and make a recommendation to the Board.

We know that our plans must identify areas for residential development, specifying minimum and maximum densities projected in five-year increments over 20 years.

For Towns:

- Plan-Zoning Alignment – ensures development requests in designated areas are easier to approve
- Streamlined Zoning Amendments – reduces procedural barriers to housing projects
- Affordable Housing Measures – localities are expanding duplexes, lot splits, and mixed-use housing
- Height and Density Adjustments – gradual transitions and higher allowable heights in mixed zones
- TID Flexibility – longer funding cycles for housing improvements

What do we need to do to move this forward?

If we form a committee, who should be on the committee?

The first thing to do is look at the 2050 plan.

The next thing is to ask the attorney and the County – does anyone have an outline of how we should proceed?

May we see it? We need a little guidance regarding how to proceed.

What have others tried? What has worked, what hasn't?

Does the County or our Attorney know of any templates, models or best practices?

Motion: (Kendall/Gepfert) To have Jeff review the 2035 or 2050 comprehensive plan and report back to the commission next month on how the town has housing development laid out. 5 ayes, motion carried

EMERGENCY MEDICAL SERVICES (EMS) CONTRACT

This contract is between the Town of Troy, Walworth County, State of Wisconsin, a municipal corporation, with its principal office at:

N8870 Briggs Street
East Troy, WI 53120

and herein referred to as the "TOWN",

and,

East Troy Area Emergency Services District, a municipal corporation, created by participating municipal corporations (not including the TOWN) by intermunicipal agreement pursuant to WI State Statutes § 66.0301, with its principal office at:

N8406 County Road ES
East Troy, WI 53121

hereinafter referred to as the "DISTRICT".

WITNESSETH, the TOWN and the DISTRICT for consideration stated herein agree as follows:

1. EMERGENCY MEDICAL SERVICES (EMS). DISTRICT will provide emergency medical services to the TOWN, including rescue and ambulance service, to the same extent as such services are provided to other municipalities with the DISTRICT, as the designated 911 provider to the TOWN, as outlined in Appendix A entitled *District Provided Services* attached hereto and incorporated herein by reference (hereinafter referred to as the "SERVICES").

2. TERRITORY. DISTRICT will provide emergency medical services to the TOWN as stated previously in Section 1 above within that part of the TOWN described in Appendix C attached hereto and incorporated herein by reference (hereinafter referred to as the "MAP").

3. TERM. This contract shall be for a term of one year commencing on January 1, 2023. Thereafter, this contract shall automatically renew on the first of each year for a one-year period, unless the non-renewing party gives at least one hundred eighty (180) days prior written notice to the other party, via certified mail, of its intent to terminate this contract.

4. INSURANCE. The DISTRICT shall maintain Business and Personal Property, Workers' Compensation and Medical Malpractice insurance. Upon request, the DISTRICT shall submit a current Certificate of Insurance to the Town of Troy. The TOWN shall be named as an additional insured on the above listed insurance policies.

5. REQUESTS, REVIEW AND INPUT. If the TOWN has a concern related to the DISTRICT'S performance of this contract, it shall forward a written notice of the same to the DISTRICT'S president. The DISTRICT Board shall act in good faith to resolve any issues that may arise. If after ninety (90) days the TOWN believes that its concern has not been adequately resolved, it may request a special meeting of the DISTRICT Board for purposes of discussing the concern and the DISTRICT Board shall schedule a meeting.

6. COMPENSATION. The TOWN shall compensate the DISTRICT for services provided on a per call basis. The DISTRICT shall bill the TOWN for services provided during the year on a quarterly basis. The DISTRICT shall submit to the TOWN a quarterly billing statement within fifteen (15) days following the close of each calendar quarter for services provided during the calendar quarter just closed. Payment of the statement shall be due thirty (30) days following the close of each calendar quarter. The per call charge for calendar year 2023 shall be as set forth in paragraph 7.

By way of example only, on or before April 15, 2023, the DISTRICT shall calculate and provide to the TOWN, a statement of the calls made during the months of January, February and March 2023. The TOWN shall remit payment of that statement on or before April 30, 2023.

7. The charge per call shall be five hundred dollars ($500.00), for the calendar year 2023. A "call" is defined in Appendix A. Beginning effective January 1, 2024, such number shall increase or decrease on January 1 each year that this contract remains in effect in accordance with the percentage increase or decrease occurring in the United States Bureau of Labor Statistics Midwest Region All Items Consumer Price Index for all Urban Consumers, between June 1 of the prior year and June 1 of the current year. The DISTRICT shall calculate and provide such payment amount to the TOWN no later than August 1st each year for the following calendar year, and the DISTRICT shall show in writing all steps and the numbers used in making this calculation pursuant to the foregoing formula.

By way of example only, on or before August 1, 2023, the DISTRICT shall calculate and provide to the TOWN, the payment per call to begin January 1, 2024. The payment amount for 2024 shall be the 2023 payment amount ($500.00 per call) increased or decreased in accordance with the percentage increase or decrease occurring in the United States Bureau of Labor Statistics Midwest Region All Items Consumer Price Index for all Urban Consumers, between June 1, 2022, the prior year and June 1, 2023, the current year.

8. INDEMNIFICATION. In addition to, and not to the exclusion or prejudice of, any provisions of this contract or documents incorporated herein by reference or other applicable laws, the DISTRICT shall indemnify and save harmless and agrees to accept tender of defense and to defend and pay any and all legal, accounting, consulting, engineering and other expenses relating to the defense of any claim asserted or imposed upon the TOWN, its officers, agents, employees and independent contractors growing out of this contract by any party or parties, except to the extent such claim arises from the intentional or negligent act of the TOWN, its officers, agents, employees and independent contractors. Neither party waives any governmental immunity available to it under Wisconsin law.

9. TERMINATION.

(a) Termination by the Town. The Town may terminate this contract upon proof of improper or inadequate providing of emergency medical services. The determination of the validity of the alleged inadequate or improper provision of emergency medical services shall be within the sole discretion of the Town Board of the Town of Troy. The TOWN shall give the DISTRICT at least thirty (30) days advance written notice of termination. If such termination is made, the DISTRICT shall reimburse the TOWN a prorated portion of the current year's annual payment based on the number of days remaining in the current year.

(b) Termination by the District. The DISTRICT may terminate this contract for non-payment if any amount due to the DISTRICT remains unpaid for any period sixty (60) days after the DISTRICT has provided written notice to the TOWN advising of the default payment.

10. NOTICES. All notices hereunder shall be directed as follows:

If to the DISTRICT:

East Troy Area Emergency Services District
Attn: District President
N8406 County Road ES
P.O. Box 644
East Troy, WI 53120-0644

If to the TOWN:

Town of Troy
N8870 Briggs Street
East Troy, WI 53120

11. OTHER TERMS.

(a) Entire Contract. This document and any exhibits referenced herein constitute the entire contract between the parties and any prior understanding or representation of any kind preceding the date of this contract shall not be binding on either party except to the extent incorporated herein.

(b) Modification. Any modification of this contract must be in writing and signed by both parties.

(c) Severability. If any provision of this contract were to be held invalid for any reason, such circumstances would not affect the validity of any other provision, nor render the provision in question invalid in any other circumstance.

(d) Binding Effect; Assignment. This contract is binding upon the parties and their respective heirs, personal representatives, successor and/or permitted assigns. Neither party may transfer its rights and obligations under this contract without the prior written consent of the other party.

(e) Waiver. No delay or omission by either party in exercising any right or power accruing upon any non-compliance or non-performance by another party under the provisions of the contract shall impair any such right or power or be construed to be a waiver thereof. A waiver by either party of any provision of this contract to be performed by another shall not be construed to be a waiver of any succeeding breach thereof or of any other covenant, condition or agreement herein.

(f) Governing Law; Venue. This contract and any amendments shall be governed by, construed and enforced in accordance with the laws of the State of Wisconsin and venued in Walworth County.

(g) Attorney's Fees. If either party brings an action to enforce the terms of or declare rights under this contract, the prevailing party in any such action shall be entitled to recover actual attorneys' fees, costs and expenses.

(h) Appendices Incorporated. Appendix A entitled *District Provided Services*, Appendix B entitled *Public Records Responsibilities Contract Terms* and Appendix C entitled *EMS Area Coverage Map* are attached hereto and incorporated herein by reference.

(i) Monthly Call Logs. The DISTRICT shall provide the TOWN a monthly log of all calls received and for which ambulance services were provided in the preceding month. The DISTRICT shall provide this log by the 15th of the following month. By way of example only, the DISTRICT shall provide the TOWN the January call log by February 15th. The monthly log shall include the number of calls, road name and 911 address number responded to and other information as deemed necessary by the DISTRICT or the TOWN in accordance with HIPAA rules and regulations.

IN WITNESS WHEREOF, the TOWN and the DISTRICT have executed this contract on:

APPENDIX A
DISTRICT PROVIDED SERVICES

- Maintain two (2) appropriately equipped ambulances in good mechanical and visual appearance, both of which shall be based at the District Fire House, unless otherwise previously approved in writing by the TOWN.

- Maintain one (1) ambulance, a primary unit, staffed 24 hours a day, seven (7) days a week, with on-site personnel and same must respond to 911 calls as dispatched by the Walworth County Sheriff's Department. A second ambulance shall be staffed with on-call personnel and may also respond to either emergency or non-emergency requests for service. The DISTRICT will maintain an adequate number of trained staff so as to enable the vehicle to be en route to an emergency within a reasonable amount of time from receiving the emergency call.

- DISTRICT shall provide emergency ambulance services at the level of Advanced Emergency Medical Technician (AEMT) if such personnel are available. If not available, the DISTRICT will respond as an Emergency Medical Technician-B (EMT-B) unit.

- A call is defined as all 911 calls paged directly from the Walworth County Sheriff's Department and the DISTRICT actually responds to the incident with emergency medical services. The DISTRICT agrees to keep the Sheriff's Department advised at all times as to the availability of its ambulances.

- DISTRICT will provide standby ambulance service at special TOWN events upon request when available and at a cost to be determined by the DISTRICT, which shall be agreed upon in writing by the parties prior to any such event and shall not exceed actual costs.

- DISTRICT will coordinate investigation site protocol with law enforcement personnel.

APPENDIX B
PUBLIC RECORDS RESPONSIBILITIES CONTRACT TERMS

Both parties to this contract agree that they are subject to Wisconsin Public Records Law, WI State Statute § 19.31-19.39 and that each is an "authority" as defined in WI State Statute § 19.32(1). TOWN acknowledges that it shall serve as the records custodian for all records related to this contract, which are under the control and custody of the TOWN or its contractors (excluding DISTRICT). DISTRICT acknowledges that it shall serve as the records custodian for all records related to this contract which are under the control and custody of the DISTRICT or its contractors (excluding TOWN). The parties further agree that WI State Statute § 19.36(3), ("Contractor's Records"), does not apply to records generated or kept in relation to this contract because each party is an independent authority and is solely responsible for compliance regarding its records. In the event DISTRICT fails to comply with its obligations under the Wisconsin Public Records Law, it shall indemnify and save harmless and agrees to accept tender of defense and to defend and pay any and all legal, accounting, consulting and other expenses relating to the defense of any claim arising from DISTRICT'S failure to comply that is asserted or imposed upon TOWN, its officers, agents, employees and independent contractors. In the event TOWN fails to comply with its obligations under the Wisconsin Public Records Law, it shall indemnify and save harmless and agrees to accept tender of defense and to defend and pay any and all legal, accounting, consulting and other expenses relating to the defense of any such claim arising from TOWN'S failure to comply that is asserted or imposed upon DISTRICT, its officers, agents, employees and independent contractors. Neither party waives any governmental immunity available to it under Wisconsin law.

Good Afternoon Michael,

Our lawyer, Mr. Peter Ludwig, sent out a Certified letter to you stating that we were not going to renew your contract with the District.

We are not saying that we want to end our service to the Town of Troy. What was omitted from the letter was

that we are willing, and hope to be able to negotiate the contract with your Board.

I hope that this will clear up our intention and it will be an option for the Town of Troy and your Board.

Thank you.

Here are some photos of the damage the contractor did to the road at W2592 Gavers CT. It is about 140ft of tore up road. This needs to be fixed it is ruff and it will get even worse when we plow the road. I talked to John from Scott's Construction and he is going to look at it next week and give us some feedback on what to do with this problem.

  * Parking areas
  * Building perimeter
  * Vehicle access points
  * Public gathering areas

Department of Public Works (DPW)

* Install 3 outdoor 4K IP surveillance cameras around the exterior of the DPW facility.

* Cameras will provide coverage of:
  * Equipment storage areas
  * Building entrances
  * Vehicle yards and parking areas

System Components

* (12) Commercial-grade 4K IP Cameras
* Network Video Recorder (NVR)
* Hard drive storage capable of retaining approximately 30 days of recorded video
* PoE Network Switches as required
* Camera mounting hardware and weatherproof accessories
* System programming and configuration
* Remote viewing access for authorized personnel
* User training for designated staff

Installation Services

* Installation and mounting of all cameras
* Network connectivity to each camera location
* System testing and commissioning
* Camera aiming and optimization
* Recording verification and remote access setup
* Staff training and project closeout documentation

Benefits

* 24/7 monitoring and recording
* High-definition video evidence
* Remote viewing from authorized devices
* Enhanced security for municipal facilities and equipment
* Reduced risk of vandalism and theft
* Improved situational awareness for staff and first responders

Reason to up grade the Grasshopper Zero Turn Lawn mower

This machine has a diesel engine that is liquid cooled.
The radiator is behind the seat and this mower has a rear discharge so the grass clippings get blown around and plug up the radiator and over heats. Sometimes it will plug up 3 times if the grass is dry. It will only plug 1 time if grass is wet sometimes. This can't be good for a diesel engine. It also rides very ruff even with the air ride seat it has on it. It has 6 tires that hit the same bump. It also has the deck out in front which is nice but it will dig into the side of the parking lot side hill if you don't go at a certain angle. The deck has come off because of the twisting trying to maneuver the hill. This machine has 500 hours on it. It is a 2018

The new machine would be a Ferris 72 inch Zero Turn Deck under

This machine is an air cooled gas engine. So it wont over heat like the grass hopper.
This machine has a side discharge. This machine also has full independent suspension that rides nice. I demoed this machine. It is a very nice machine. And it worked great mowing around the townhall parking lot.

Hi Nick

18649 for the ISX3300 72" deck Kawaski. Trade and Municipality discount $8000 Final Price $10649.

I do not have a demo, but I do have this model at our Willis Ray store. I could let you mow and run it around there. Please let me know we can set up a time to do it.

Thanks

Jeff

Good morning Michael. I am looking at replacing the electronic system that runs all the functions in the Freightliner Truck 2. The current set up is from Monroe, dates back to 2009, and cannot be fixed. The problem I am having is that it won't calibrate to the correct settings. So it is putting out a whole truckload of salt on its route, which is way too much. Probably some where around 800 pounds instead of 300 pounds. So, I would like to replace it with the same controllers the other trucks have. Thanks

FORCE AMERICA DISTRIBUTING LLC
TERMS AND CONDITIONS

Acceptance: These Terms and Conditions shall govern all contracts for the sale of any goods to Buyer by FORCE America Distributing LLC and/or its subsidiaries and divisions (collectively "Seller"). These Terms and Conditions shall control over any conflicting terms and condition set forth in any request for quotation, purchase order, confirmation or other transaction document submitted to Seller by Buyer.

Delays in Delivery: Seller shall not be responsible for any delay in delivery of goods to Buyer due to fires, strikes, riots, Acts of God, government orders or restrictions, delays in transportation delays by suppliers or materials or parts, inability to obtain necessary labor or other causes beyond Seller's control. In the event of such delay, the delivery date shall be extended for a reasonable period of time.

Damage or Loss in Transit: All risk of loss shall pass to Buyer at the time of delivery of the goods. Deliver of the goods to any carrier shall constitute delivery of the goods to Buyer, regardless of which party retained or hired the carrier.

Warranties: Seller warrants that any goods sold by Seller to Buyer shall be free from defects in material and workmanship for a period of one (1) year from the date of delivery. THIS WARRANTY SHALL BE THE SOLE AND EXCLUSIVE WARRANTY MADE BY SELLER TO BUYER. SELLER HEREBY DISCLAIMS ANY IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Exclusive Remedy: If within the aforementioned one-year warranty period, any goods sold by Seller are proven by Buyer to be defective to Seller's reasonable satisfaction, then such defective goods shall be repaired or replaced, at Seller's sole option. THIS REMEDY SHALL BE THE SOLE AND EXCLUSIVE REMEDY AVAILABLE TO BUYER. BUYER SHALL NOT, UNDER ANY CIRCUMSTANCES, BE ENTITLED TO RECOVER ANY INCIDENTAL, CONSEQUENTIAL OR CONTINGENT DAMAGES, INCLUDING, WITHOUT LIMITATION, LOST PROFITS.

Payment: Buyer shall pay Seller's invoices within thirty (30) days of receipt. Buyer agrees to pay interest to Seller on any past-due amounts at the rate of 18% per year.

Security Interest: To secure payment of Seller's invoices, Buyer hereby grants Seller a security interest in all goods sold by Seller to Buyer. Buyer hereby authorizes Seller to file financing statements on behalf of Buyer to perfect Seller's security interest. In the event Buyer fails to timely pay Seller for any goods sold to Buyer, Seller may proceed, at its option, to utilize the remedies available to a secured party under Article 9 of the Uniform Commercial Code.

Freight Terms: All sales made by Seller to Buyer shall be F.O.B. Seller's Distribution Center.

Returned Goods: Goods may only be returned by Buyer with Seller's prior authorization and consent. Only unused goods in original containers of current design will be considered for return. Specially manufactured, custom or modified goods shall not be returnable. Buyer shall pay all transportation charges for any goods accepted for return by Seller. Buyer shall also pay a restocking charge equal to 15% of the original price of any goods accepted by Seller for return.

Taxes and Other Charges: Buyer shall be responsible for paying any taxes, duties, fees, or other charges imposed by any governmental entity based upon Buyer's purchase of any goods from Seller.

Legal Action: These Terms and Conditions and the terms of any contract for the sale of goods by Seller to Buyer shall be governed by and construed in accordance with Minnesota law. Any action relating to or arising out of any contact for the sale of goods by Seller to Buyer shall be venued in state or federal court in Minnesota. Buyer consents to the personal jurisdiction of Minnesota courts and waives any defense that venue in Minnesota is in any manner inconvenient. Buyer shall pay all attorney fees, costs and disbursements incurred by Seller in collecting any amounts due from Buyer, enforcing these Terms and Conditions and/or enforcing the terms of any contract for the sale of goods by Seller to Buyer. Any legal action by Buyer against Seller relating to or arising out of any contract for the sale of goods by Seller to Buyer shall be brought within one (1) year after the delivery of the goods or be forever barred.
