Treasurer's report by Treasurer L. Stea: Spoke with Assessor's office regarding unpaid Personal Property. Personal property will be dropped after this year so next year will be the last year to collect it. Still attempting to collect those outstanding. Also, the County is changing the tax collection software. It will cost the township more money. Will probably be some education on it later this year and also may need to get the treasurer a new computer so that it can work with new operating systems.

Clerk's report by Clerk P. Nett: April election completed. Snow slowed things down. Annual meeting coming up and the Board of Review.

Public Comments: Rich Delisle speaks regarding the conditional use for property on Bughs Lake. Worried because the small church is in wetlands. Is also a small lot. Parking would only be on the property not on the road.

Two correspondence reviewed.

Discussion on possible amended ordinance for ATV routes in the Township. Amended ordinance would have all roads open in the township. Motion by Supervisor Van to approve the amended ordinance. Seconded by Supervisor Peterman. Motion carried. Amended Ordinance will be posted for 30 days.

Zoning matters: Discussion/possible action on request from Kirk Company to tear down building on their property behind their office and build a housing unit for workers. Mark Irish/Kirk Company was present regarding this request. Will not take up any more area than the present building. Motion to approve this request by Supervisor Peterman. Seconded by Supervisor Van.

Discussion/Possible action on replacement of fire number signs in the township. After review by the Highway Department there are 825 fire number signs in the township. Of that amount there are 710 signed that would need to be replaced to the new flag style. The rough estimate for this replacement is \$34,000.00. Supervisor Van would like to look at the condition of the signs in the township on their road inspection before approval. Tabled until next month's meeting.

Report of Bughs Lake Management District by Rich Delisle. Water level is down. Meeting will be held this coming Monday night.

No licenses.
