

**Town of Whitefield
Select Board Meeting Minutes
January 13, 2026**

Present: Seth Bolduc (Chair), Brent Hallowell (Vice-Chair), Erin Anderson, James Torbert, Brian O'Mahoney, and Yolanda Violette

1. Mr. Bolduc called the meeting to order
2. Approve Minutes of January 6. Motion and second, 5-0
3. Approve and sign the Accounts Payable/Payroll Warrants.
4. Fire & Rescue Station Facilities Use Policy: The board reviewed changes and questioned the occupancy limits of the meeting room. The policy will be ready for acceptance at the next meeting.
5. Junkyard Ordinance Amendments. The board reviewed the document and will forward it to the town's attorney for review.
6. FY 26-27 budget item remaining. The board had an extensive discussion of a contract for the coming year with Delta Ambulance. Costs are rising for these services and the burden is falling to municipalities. The budget for next year is for the per-capita cost to rise from \$35 to \$60 for a total of \$138,780. The town is required to provide emergency ambulance transport response. Working with Delta has been the most attractive option both from a cost and a response-time perspective though the board will continue to research to ensure it remains the case. Motion and second 5-0.
7. The board received a solicitation from Midcoast Inspections and Code Services LLC offering Code Enforcement and Licensed Plumbing Inspection services. The board is curious about the rates this organization would charge before entertaining a follow-up conversation.
8. Select Board Adjournment Motion and second 5-0
