Deputy Sheriff's Report

Recall issues on the police car will be taken care of at Sondalle's next week.

Parking along State Hwy. 73 is becoming a problem; people staying at those residences are parking trucks, cars and boat trailers on both side of the highway. State roads are not within the town's jurisdiction, and this has generated a lot of complaints. Noise complaints have also been reported about lake rental properties.

Deputy Weber asked about installing a bimini on the Silver Lake boat. The cost would be approximately \$1,038.00, installation \$270.00, and \$150.00 for shipping. Chairman Walejko indicated an individual would also like to help donate to this cause.

PUBLIC COMMENTS

Deborah Buchholz attended the meeting to discuss the cemetery. She and her husband will be getting more involved with decision making at cemetery. She presented 2 estimates for painting the maintenance building, proposed entrance and exit signs, and asked if a fire number could be put up on the property. Chairman Walejko indicated the town would order the fire number sign. He also proposed eliminating the road and the south driveway to make a frontage road instead. The town would pay for this cost.

Bob Savignac indicated he will find a bow stop for the boat lift on Silver Lake.
