Chairman Walejko indicated the town would re-pave Happersett Lane, and with permission, continue through the towns of Warren and Lohrville. We will also be re-paving 24th Avenue to Czech Road, and Czech Road to 25th Avenue. Seal coating will be done on Czech Drive, and on County Road N to County Road Z. The culvert on Spring Lake Estates Drive is breaking off and needs to be changed to a longer length, but we will need a permit from the DNR.

We also need to do something at the Silver Lake Hwy. 73 boat landing, and some of it has to be paved.

The county was called to patch the roads and fix the washouts.

The town board will be considering fireworks permits and doing a little more enforcement around the 4th of July and possibly New Year's Eve. We are thinking about special fireworks permits that will need to be approved by the town board.

With no other business, a motion to adjourn the Annual Meeting was made by Karen Savignac and seconded by Barb Bartel. Motion carried.

Vicki Snyder, Clerk
