PUBLIC WORKS—Kris Carlson from Ulteig Engineering updated the Council on the status of the wastewater and treatment plant improvement project. A final set of plans with a change to the location of the main line to the lagoons has been sent to the USDA-RD for approval with hopes of getting a request for bids out by March. Once underway, Carlson anticipates the project will only take a few months to complete. Once the major wastewater improvements are complete the secondary paving project will begin for Herold Court. During the project the current main line will remain active and citizens should experience no noticeable changes through town. Askelson has flooded the skating rink, which should be ready for use by the end of the week. Council requested that an advertisement be ran for a rink attendant. Discussion on the location of cross-country skis and snow shoes available for public use. These items are currently located in the old skating rink building, anyone wishing to gain access should contact City Hall for more information. The restrooms in the main municipal building are being renovated currently with new flooring and fixtures. Three new doors have been ordered for the community center and will be installed in late winter/early spring.

EDA/PARKS—Discussed possible funding opportunity for the development of Heiberg North into a trail system with possible picnic area. The Dekko Foundation has funding available to apply for. Mark Askelson will be looking into getting quotes on the approximate cost to create trails and a possible picnic area on the Northwest cliff area of Heiberg Park. Reviewed committee's 2024 goals which include splash park signage, kayak launch area at Otterson bridge and increased advertisement of Herold Court lot incentive program. Discussed camping rates and reservations for the Heiberg campground. Clerk is still working out the functionality of an online reservation and payment system with the new website.

2024 BUSINESS PERMITS—MA/TC-m/s/p to approve fundraiser/raffle permits for the 2024 calendar year for the Wild Rice Conservation Club and Zion Lutheran Church.

LIQUOR—Gross sales for December 47,456.18. Nysetvold distributed two quotes for the replacement/upgrade to the liquor store camera system—Arivg \$7,380 installed price for a complete system, with an additional monthly monitoring fee. Northwoods Security & Service \$6,500 for complete system and installation, no additional monthly support. ML/MA-m/s/p to approve quote from Northwoods Security & Service. Council requested clerk check with insurance company due to a power failure being the cause of the system malfunction. The BNG point

of sale system in the Off-Sale quit working, Nysetvold currently has a loaner unit. New unit cost \$1,500, PB/TC-m/s/p to approve purchase. New bar stools and chairs have been ordered and are scheduled to arrive this week. Local patron D. Stack has offered to assist in the assembly. Discussed the cost of bands for Town & Country Days. Nysetvold has received a quote for \$3,500 from one performer. Council questioned revenues from previous years, Nysetvold can provide this information at a later time. MA/ML-m/s/p to approve spending up to \$3,500 towards a Town & Country Days band. TC/MA-m/s/p to approve hire of two new bartenders, Randy Bueng and Marcus Gunnufson pending background checks. Reviewed financial statements showing a cash loss. Clerk explained that the loss does not reflect an actual loss for the fiscal year as invoices were paid for inventory still in stock. An accurate profit/loss will be made available after the audit is complete. Discussion on Assistant Manager position. Nysetvold has an in-house candidate she would like to consult before advertising.

POLICE—Douville addressed council, new squad vehicle will be going in to get equipped with cages, lights, sirens, cameras, etc. in the coming week. The Minnesota POST board has performed an Audit on the department's records and the Twin Valley Police Department is in compliance with State requirements. Advertising has begun for a new full-time officer. Due to new POST regulations, some changes to the hiring process will need to be made, especially with the backgrounding process. No police activity report was available, Douville noted it has been a busy month already.

FIRE/RESCUE—An escrow payment for the removal and clean up after a house fire at 206 3rd St NE has been received. The City will withhold payment for the fire call and outstanding utilities. Property owner has been in contact with the Clerk's office and intends to have the rubble removed and the lot cleaned up himself. Clerk will monitor to proceed with City abatement as necessary. Lampton reported 16 rescue and 1 fire call for December. 2023 fire and rescue hours approved, MA/TC-m/s/p. Rescue 512 hours, Fire 621 hours. Mayor Bolton wished to thank all members of the volunteer department for their service. Discussed possibility of running horse races during the Wild Rice Conservation Club Supper on January 27. MA/TC-m/s/p to approve a gambling permit to do so if necessary, with no waiting period.

FINANCIALS—2023 year in cash reports available for Council to review. MA/ML-m/s/p to approve transfer of \$9,637.00 from the water fund to the water treatment plant replacement fund, as a requirement from the grant & loan funds received from the Drinking Water Revolving Loan Fund (PFA). ML/MA-m/s/p to approve cancelled and voided checks for 2023. [32306, 32363, 32637, 32674, 32678, 22427, 22479, 22488, 2496, 22520, 22528, 22564, 22606, 22680]
