**Memo to the Board of Trustees**

Election Day went well. There are some changes that will be made for next election, and it'll be interesting to see how BadgerBooks improves the end of night paperwork. I still have some things to finish up for the election, but hope to be done before the meeting. Ashley mentioned having some training before the August election, but nothing is scheduled yet.

I will be going to training on April 30 for alcohol update and Board of Review refresher.

I'm thrilled to have Kala joining our team and look forward to working with her.

Respectfully,

Heather Wellman  
Village of Newburg Clerk

Signs, banners, equipment, machinery and other items not carried, operated, occupied, or accompanied by persons participating in a special event are not permitted under this section.

A Permittee is the individual who has been issued a permit pursuant to the regulations and is authorized to conduct permitted activities.

A Participant is any individual who is identified by the Permittee, including but not limited to, a competitor, contestant, performer, exhibitor, vendor, invited guest, ticket holder, registrant, sponsor, and a participant entity's employees, agents, and volunteers who are present at the event and the event organizer and their employees, agents, and volunteers present at the event.

### A. PERMIT REQUIRED

1. A complete application for a Special Events Permit shall be filed with the Village Clerk not less than 30 days before the event.
2. No fee shall be charged for special events sponsored by the Village. One fee shall be charged for an event lasting from one to four days.
3. A permit for a tent or air-supported structure in excess of 800 square feet shall be obtained from the Fire Department. It shall be issued after a Special Event Permit has been obtained from the Village Clerk's office.
4. The issuance of a Village of Newburg Special Event Permit does not obligate the Village to provide municipal services, equipment, or personnel. Should the Village provide extensive municipal services, an estimated cost to the applicant will be provided prior to the event. These costs may include, but are not limited to, expenses from the police department, ambulance service, fire department, public works department, or parks department.
5. The permit does not give "exclusive use" of a Village property or park, only the pavilion you have requested. The park is still open to the public. Permittee must have the signed permit in his/her possession and/or in plain view to enforce its privileges.

### B. EXCEPTIONS

A permit shall not be required under this section for a funeral procession or military convoy.

### C. INSURANCE REQUIRED

Adequate liability insurance is liability insurance holding the Village and its employees and agents harmless and indemnifying and defending the Village, its employees and agents, against all claims, liability, loss, damage, or expenses incurred by the Village. Insurance in the amounts listed below must be provided at the time of filing this application; the name of the event and date must be listed on the certificate.

1. Comprehensive general liability insurance in the amount of not less than one million dollars per occurrence for bodily injury, personal injury, and property damage.
2. Automobile liability insurance in the amount of not less than one million dollars per occurrence for bodily injury, personal injury, and property damage covering all vehicles to be used as part of the event. Said policy shall cover all owned, non-owned, and hired vehicles.
3. The Village reserves the right to designate the appropriate level of insurance and, if substantial risk is present, may require additional levels of insurance.

#### D. DENIAL OF PERMIT

The application shall be denied:

1. If made less than 30 days prior to the scheduled start date of the event.
2. It is to be held between the hours of 10:00 pm and 6:00 am.
3. If the special event would be in violation of federal, state, or local laws relating to the use of highways or of other applicable regulation of the Village of Newburg.
4. If the granting of the permit would conflict with another permit already granted or for which applications are already pending.
5. If the application does not contain the information required.
6. If the applicant has failed to receive a permit under WI SS 85.07(4) Bicycle Rules.

#### E. REVOCATION

A permit already issued may be revoked if deemed that such action is justified by an actual or potential emergency due to weather, fire, riot, other catastrophe, or the likelihood of a breach of the peace or by a major change in the conditions forming the basis of the standards of issuance.

#### F. CONDUCT OF PARTICIPANTS

1. For every 75 people expected to attend, the permittee shall provide one portable restroom for attendees. Restrooms shall be adequately screened from all nearby public streets.
2. Permanent route markers, including paint or similar substances, are not permitted on either private or public property. Chalk must be pre-approved, washable, and is allowed on concrete ground surfaces only as directional guides for events. The event organizer is responsible for any chalk activities during the event to ensure no profanity or disrespectful, offensive, uncivil, or ill-mannered words or images are created.
3. Fastening, stapling, or attaching any rope, sign, banner, flyer, sticker, or other object or decoration, such as lighting or streamer, to natural features such as trees or shrubs, or to any park feature is prohibited.
