Looked at Front of Building To Look at water Problem in
Basement - was Fixed few years ago - Looks like Slopes
Toward Bldg only Landscape fabric - will try Lengthening Down spout
And maybe redirect Spouts - then Looked at South end of Bldg
that may get Block to Parking for food Pantry then could Address
water Flow in the future

Other Comments or Notes:

will do Downspout Replacement for now and not
Pull Rock or Fabric at this time

Time Ended: 12:00 A.M. / (P.M.)

Signed by Chair: Russ Hulback
