Meet with bar owners/ reps to review upcoming Watercross event

Chief Woody reviewed the 2025 Watercross event for alcohol related activities. He indicated the biggest issue was removing underage people from the bars for 18+ music shows that had been drinking alcohol. Chief Woody is requesting the bars have bouncers at their entrances checking I.D.s and have a process in place for marking either the 21+ group or the underage group and have fenced in patio areas as has been done in past years. The bar owners/ reps in attendance reviewed their process and said they appreciate law enforcement presence during the evening hours especially. Chief Woody thanked everyone for making efforts to control alcohol related activities during the event and requested bar owners/ representatives reach out if there is anything the police department can do to help the busy weekend run smoothly.

Chief Woody also shared that he attends Watercross committee meetings in an effort to control alcohol related issues in the event space.

The meeting was adjourned at 10:16 a.m.
