Citizen Comments – Time Limits and Rules Apply:
Resident David Drager had concerns about a neighbor spraying noxious chemicals on the property next door to him and causing him health concerns. He is unable to sit outside and has had side affects from the chemicals. He also is concerned about zoning laws. President Cybul explained to him that there are no zoning laws and those terms are only used in assessment of properties. He also would contact the County Land Preservation department and have them investigate if the chemicals are harmful to the land and humans.
