

Village of Millbrook, NY Shade Tree Commission
March 13, 2025 4pm
Village Hall

Present: Bucklin, Collopy, McGrane, Shuminov.

Review of Bylaws for Committee Tree Responsibilities

Discussion reviewing the current bylaws regarding the responsibilities of the tree commission. The committee members reviewed guidelines in managing, overseeing tree planting, and removal processes. The committee reviewed the current bylaws outlining responsibilities related to tree management. Members discussed updates to clarify removal and maintenance.

Procedures for Removing and Planting Trees

The committee **discussed** the procedures for the removal and planting of trees. There was a consensus to review to ensure alignment with the community's needs and environmental goals.

Arbor Day Event at Elm Drive

Date April 25th 2025

The committee **discussed** the upcoming Arbor Day event at Elm Drive. Details for the upcoming Arbor Day event at Elm Drive were shared.

Committee Member & Community Input

Committee members provided input on improving community engagement and enhancing tree care programs. Committee members shared additional suggestions, including ideas for future projects and ways to improve engagement with the community. The committee will explore ways to increase communication and collaboration with the broader community. Comments included requests for more tree(s) plantings and better maintenance of existing tree(s).

Next Meeting: 04/09/25 4pm
