ONTONAGON VILLAGE COUNCIL MEETING

HELD AT 5:00 PM ON MONDAY, JULY 27, 2026

AT 315 QUARTZ STREET, ONTONAGON

CALL TO ORDER – ROLL CALL

PRESENT: Lyle Perry, Debra Seid, Dorothy Sharkey, Pro-Tem Sarah Hopper

ABSENT: President Pamela Coey, Michael Rebholz

At 5:00 p.m. the meeting was called to order by Pro-tem Hopper and the Pledge of Allegiance was recited.

PUBLIC COMMENT (Five Minute Limit per Individual on Agenda and Non-Agenda Items):

A resident asked for clarification on the tree and stump removal bids and tree replacement.

A resident expressed his concerns about the disagreements between the Township and Village and also spoke about the possibility of Village residents receiving reduced rates for use of Village facilities.

A resident complimented the fire department and the DPW for their clean up from the recent storm and expressed the need for further review of the trees to be removed.

A non-resident expressed her appreciation of the availability of the Rec Center and spoke of grant opportunities.

A non-resident expressed her support of the Recreation Center and fundraising for repairs.

A resident expressed her support of the Recreation Center and inquired about grants previously sought for the maintenance of the rec building.

A non-resident expressed her support of a previous resident's comments.

A resident expressed her concern about the rumors about the possible closure of the Rec Center and how that would negatively impact the youth in the Village, Township and County. She also commented on the lack of maintenance at the ball field and playground.

A resident commented on the tree removal, stating some just need trimming and the money saved should be put into the rink.

A resident asked for clarification as to why the Rec Center millage did not get put on the ballot.

A resident asked what can be done to keep the Rec Center viable, how much money is needed on a regular basis and what grants are being applied for.

A resident commented on how much of a blessing the Rec Center has been for her daughter's use and will help in any way to keep the center open.

A resident commented on how glad she was to see so many turn out in support of the Rec Center and encouraged them to attend more meetings to be informed of all the financial issues the Village is facing, such as water and sewer repairs as well as MERS.

A resident remarked on how under utilized the Rec Center is in the summer months and how allowing rental of the building during the summer months would raise more monies for building repairs and maintenance. He believes it is a vital part of our community.

A resident commented that she does not agree that the comments of MERS payments and the future of the children in our community should be combined.

A non-resident asked if there were options for sub-committees to help with things such as grants, clean up, the Rec Center and the youth playground.

A resident shared support for the Rec Center and the hockey and figure skating clubs. He believes transparency of the Rec Center finances will probably gain some support from the community.

A resident again suggested the trees slated for removal should be just trimmed up and the monies saved given to the Rec Center.

A resident commented on the previous repairs of the compressors and how they were paid for. She questioned the grants received for those repairs and if there have been grants applied for Rec Center repairs since. She also mentioned that they have asked to be on a ballot for years.

A non-resident commented that she attended a Village meeting and suggested the need for a Recreation Committee to work with local entities to write grants to build up our community. She also mentioned the tennis courts need resurfacing.
