Information

Subject: 3-year contract renewal between the Village and Town Web Design

Background Information/Rationale: This is the annual maintenance & support contract with Town Web Design. We have been with them for over 17 years. Total cost \$920 per year for the next 3 years (2025, 2026, 2027)

Key Issues for Consideration:

Fiscal Impact (If any): This was budgeted for, the price gets split out to every dept. except the library. All depts have pieces of information on the website.

Requested Action by Committee/Board: I am requesting that the Village Board approve the 3-year contract with Town Web Design. I have been very happy with their services and support.
