Deichl asked for Schillers impression? 5 Bugles are set up more for public safety buildings specifically. Keller is a little bit more board base and Five Bugles services are more in house, and they would help us get grants. Tucker said that Five Bugles cost would be \$29,000 for 3 phrases and Kellers was 25,000. If Five Bugles help us with grants that would make up the difference. Motion by Smith to recommend to the Village Board to hire Five Bugles for \$29,000 regarding the Public Safety Building facility needs assessment, second by Tucker. We need to know how to finish this year and move on to next year and be done with it. Tucker would like the department head's review to be job specific.
