126 N. FIRST STREET • P.O. BOX 380

PALMYRA, WI 53156

Non-Emergency (262) 495-2380

Fax (262) 495-2519

Agenda Items pertaining to PFR

1. 2006 red Chevy Utility Truck
 - a. Half owned by the Town of Palmyra
 - b. Currently used for daily routines: Inspecting, errands, school, equipment hauling and trailering the UTV to calls.
 - c. Enhances response times for the brush truck – not having to take time hooking up and deploying the ATV.
 - d. If it is necessary that it needs to be sold, I would request that when the PD is up to replace a squad, that their oldest fleet be transferred to the FD for use as stated above.
2. High Pressure Skid Unit
 - a. I was not the chief when this unit was purchased
 - b. I do not know what parameters were set or reasonings for same.
 - c. There may have been some basis for PSO use?
 - d. It is not conducive for how we wish to proceed with its use in wildland firefighting.
 - e. We have obtained a matching funds grant from the DNR for \$14,000.00 to update this unit.
 - f. Our hope is to either sell or trade this unit to obtain the matching funds or more to obtain a unit that better suits the needs of the department.
3. Reserve Ambulance
 - a. It is in the shop.
 - b. It was used last week when our primary ambulance was in for service.
 - c. When shut off after a transport it would not start again.
 - d. Estimated repair \$3,073.21
 - e. Recommend sale at auction.
 - f. This vehicle is also half owned by the Town of Palmyra.

If there are any questions, me or members of our staff will be happy to answer them.

Respectfully,

M. Gartzke
Chief
Palmyra Fire & Rescue
