

MEMO REGARDING FEEDBACK ON SPECIAL EVENT / PARADE FORM

I have included the calendar of events so you can see the events we have throughout the year and also the park rental contract with the wording it has in it for liability.

Lions Club- they have a \$1 million dollar policy but if they serve alcohol they would need to buy a separate policy for each event they have alcohol at, that cost is \$800 per event

American Legion-Don Rutkowski may be at the meeting on Monday. He said they would stop having events.

Old Settlers has insurance currently

What about Maker's Market, Music on Main?

Also- the event form says that any event where there is 100 people or more or any alcohol being served, they need a \$1 million dollar policy. We have people that rent the park for weddings with over 100 and alcohol is there so we need to address that.

Our Insurance agent will be at Monday's meeting maybe we can ask for some advice from him.
