Public Hearing:

Application from Verizon Wireless proposes a non-substantial modification and upgrades to their existing Class 2 Collocation antennae facilities atop the Village of Palmyra Water Tower at 955 Eighth St., Palmyra, WI. 53156 pursuant to Wisconsin Assembly Bill 40, Act 20, Section 1269i, 66.0404- 66.0406. closed no one 6:01

New Business:

1. Discussion/possible action on an application from Verizon Wireless proposes a non-substantial modification and upgrades to their existing Class 2 Collocation antennae facilities atop the Village of Palmyra Water Tower at 955 Eighth St., Palmyra, WI. 53156 pursuant to Wisconsin Assembly Bill 40, Act 20, Section 1269i, 66.0404- 66.0406. Nathan from Verizon. Has 9 antennae, removing and replacing with 9 new ones with new technology. State requires a handrail so Verizon went back to the drawing board, structural engineering and additional hand rail meet structural capacity. MSA memo dated Nov. 13th is approving. Wind load had been a concern. So Verizon had to scale back on smaller equipment. Halbrucker said that otherwise the Village would have to reinforce the tower. Will be inspected afterward by Dixon Engineering. Cs/TB-carried. Start the project in Jan. maybe.
2. An amended Plan of Operations for V's Bourbon Tasting Center, LLC at 162 E. Main St. 6 am- 2 am new hours. CS/TB-carried.

Adjourn TB/KD at 6:08 pm

Respectfully submitted,
