
9.035 HUNTING AND TRAPPING ON VILLAGE PARK LANDS. (Cr. #2011-06; Am. #2013-05; #2014-01)

- (1) FIREARM DEFINED. Firearm is defined as any weapon that uses gun powder, including black powder or black powder substitute for muzzleloaders.
- (2) AREA TO WHICH REGULATIONS APPLY. The regulations found in this section are applicable to the Village property formerly known as the Hahn parcel, also known as 1121 North Blue Spring Lake Drive or Lot 2 of CSM #5316-29-048 (Tax Key #171-0516-2724-01) only. This section does not authorize hunting or trapping in other Village parks.
- (3) HUNTING AND TRAPPING REGULATIONS. Hunting with a firearm is prohibited. A permit issued under §9.02(2)(b) of the Village Code authorizing the discharge of a firearm is not valid for such activity on this parcel. Bow-hunting and trapping is allowed on this parcel.
- (4) COMPLIANCE. All bow-hunting or trapping activities on this parcel must comply with regulations established by the Wisconsin Department of Natural Resources.
- (5) PERMIT REQUIRED. All individuals who wish to bow-hunt or trap under this section must obtain a permit from the Village Public Safety Director, or designee, a minimum of 48 hours in advance of such activities. The applicant shall provide the information required on the permit form. A permit fee is required and shall be in an amount set from time to time by resolution of the Village Board. Permits may be denied if the applicant has a history of violating DNR regulations or trespassing.
- (6) LIMITED NUMBER OF PERMITS. Due to the fact that this park provides hiking trails and a picnic overlook area, hunting and trapping permits shall be limited to 4 per year.
