Information

Subject: Need for discussion to create a fee schedule to provide EMS coverage to outside agency. (KMFD)

Background Information/Rationale: We have been requested for auto-aid for EMS calls for Kettle Moraine Fire through December 31, 2025. If they request our assistance in 2026, we would like to have a fee schedule to provide to them for coverage.

Key Issues for Consideration: Fee to include personnel salary, equipment, supplies, housing, etc.

Fiscal Impact (If any): Fee = income

Requested Action by Committee/Board: Meeting/resolution prior to 12-31-2025
