New Business

1. Discussion/possible action on filling the Recreation Director position.

TS spoke with Eagle if they would be interested in FT and they do not. She called Ryan at school and spoke with the assistant and she didn't think it was on the agenda. Petruska spoke to the Montessori, they don't have money to pay for someone to take it over.

TS should discussion with SH be at review time, AP thinks it should be at review time. Amend her job description to say "maintain beach staff". Also to coordinate with dpw staff to ensure fields are maintained and weeds are controlled, fields dragged, etc., (ask Scott for his wording).

Facebook, maintain it, put in job description. Some office hours required. 15-20 hours on average per week. Tammie will do a job post and send it Laurie and post on several sites.

Motion to adjourn: AP/SD at 6:37 carried.

Petruska/Diechl motion to adjourn at 7:05 pm. All ayes-motion carried.

Respectfully submitted,

Laurie Mueller,
