Hello.

Thank you for the update. I need information/documents about the REC program and specifics related to the role, as well as the complete list of programs and services. At this point, I have not seen anything in writing that we can review and present to the board. I would like to get the process started to allow for a discussion at the board level, but I am in need of information. We are scheduled to have a meeting on 2/10/26, and I would need information by 2/3/2026 at the latest to allow for review. Please let me know if you have any questions.

Thank you.
Ryan

Ryan,

We have posted the Rec Director's job. The PT Eagle director is not interested in doing both communities.

Will this be on the next school board agenda for discussion of possibly taking over?
