Board Members,

I am writing to request consideration regarding 40 hours of unused vacation time that remained as of my anniversary date on March 17, 2026.

I had scheduled and used vacation from March 23–27 for a family trip, which coincided with my wife’s spring break from teaching. Due to the timing, these hours would have only needed to carry over for approximately one week in order to be applied to that scheduled time off.

Under the current policy, these hours would be forfeited; however, given the short timeframe involved, I respectfully ask the Board to consider allowing me to retain and apply those accrued hours to the vacation taken.

I would be happy to provide any additional information or discuss this further if needed. Thank you for your time and consideration.

Respectfully,
