

Regarding the bee/liquor license for the new managers of the Nite Cap Inn:

Sgt. LePak did the background check on Miquel and Erika Linares and she approved them.

Their liquor license application is in order and I recommend approval.

This initial approval is for one month June 2 – June 30th, 2026 so the fee will be prorated.

Then on the June 15th village board agenda they will get another approval for the liquor license year which is July1, 2026 – June 30, 2027
