

Hi Laurie,

I have a request for an agenda item for the next Village Board meeting.

The Wisconsin Surplus Online Auction for our 2006 Ford E-450/Horton Ambulance ended today with its high bid ending at \$9,775.00.

Not meeting the reserve price set by the board. Discussion will be needed on whether to move to a different selling format and discuss the reserve price previously set by the board.

Thank You!
