

1. 160 runs for the year
2. Last of equipment damaged at PAL Steel fire shipped this week.
2. Air Conditioning stopped working on our primary ambulance. It has been repaired. KMFD loaned us one of their reserves while ours was in the shop.
3. Hot weather protocols enacted for the week.
4. Rockin in the Park July 18 Fire events 1-4.
5. A kitchen and bath contractor was in to put together an estimate for a remodel. Also had a couple painters in to provide estimates for exterior paint.
6. 1 employee on medical leave non-work related.
7. Continuing to assist KMFD with staffing shortages as needed and as our staff members are available.

End of Report

Respectfully,

M. Gartzke

Chief

Fire & EMS
