

Good Morning, Laurie,

An agenda item request for the next Village Board meeting. We have had the old ambulance listed on the garage site for a month now. We started the listing at \$30k, lowered to 25 after a week with no interest, lowered to 24 for the remainder of the month still with no inquiries. This is a nationwide listing. High bid at Wisconsin Surplus Auction was \$9,700.00. Will list cot separately. We will need to lower the price on the ambulance and consider a reserve price if we were to try and sell it at auction again. Also, will we need to advise the town as well?

Thanks,

-Mike
