As we enter the final year of our current agreement, Johns Disposal would be pleased to offer a new five-year contract through 2032, provided the Village remains satisfied with the service we deliver to its residents. Under the proposed extension, the 2027 rate increase would be reduced to 2%, with all current service levels remaining unchanged. Please do not hesitate to reach out to me directly at 262-473-4700 ext. 224 if you have any questions or would like to schedule a meeting.

Sincerely,
