

Parks & Recreation Monthly Report

October 2026

- ⇒ Collaborating with Community Ed and putting together a joint activity guide for November/December, checking into pricing and advertising for mailing out guides first quarter 2027
 - Winter guide programs include: pickleball, meditation, open gym/rock climbing, running group, cooking/prep class, basketball, indoor soccer, adult soccer, women's strength training, bowling leagues, hiking group, euchre tournament
 - More collaboration occurring with Eagle Rec, Palmyra Library and local businesses for additional programming
- ⇒ Looking to schedule home soccer and football games together so we can open concessions a couple times this fall
- ⇒ Working with school district on their new fee schedule, rental rates would impact our programs greatly... 50-80% increase in registration fees for basketball, for example. Rental fee schedule attached
- ⇒ Working with Public Safety for Halloween movie and parade on October 31. Public safety will be airing a family friendly Halloween movie, Parks & Rec will be supplying popcorn, hot cocoa, water (with help from sponsors), and pumpkin decorating. The movie will air at 2pm and wrap up in time for the parade line up at 330pm
- ⇒ Looking to apply to DOR Innovation Grant October-December deadline. This grant would be specific to help fund the relationship between Community Education and Parks & Recreation. Looking into more details and drafting proposal this month
- ⇒ Winter will be a great time to gear up for summer programming, planning and beach involvement. I will be meeting with the Recreation Committee quarterly to map out deadlines and events throughout the year
