Old Business: ***Discussion and Possible Action on the Following Items***

1. Public Safety Director Paul Blout reviewed ventilation options and quotes for the Public Safety Building and painting schedule – provided handouts from Kettle Moraine H&C quote and noted that he did not get updated request from current provider. The rep from Kettle Moraine Heating said that we can pick how to break it up the repairs quoted. This item is to be considered for the loan taken by the Village. Blout also acknowledged that he had a mold and mildew remediation meeting today (free estimate) but could not provide quote. The previous quote was $33,000, including sealing exterior (which is already being done) as well as interior. Next week Blout also has a meeting with another company that will be $500 and then $75 per test.
   Motion to approve the addition of $11,046.000 of the Kettle Moraine Heating & Cooling 2026 quote to the loan amount.
2. Gorsegner / Wallace motion to raise the limit from $59,000 to $64,000 for the purchase of a new squad. Director Paul Blout reviewed his comparison of F-150 and Explorer estimates.
   Average cost is higher than originally researched.
3. Wallace/Gorsegner motion to forward the ambulance dispute to the DATCP and work with them to find a solution.
4. Update on sale of the ambulance – Sgt. Lepak's update is that we currently no resolution. We were offered $15,000 to make everything go away. Wallace proposes taking the case to state consumer protection organization before taking to attorney.
5. Appointment to the Residence Review Board related to the sexual offender ordinance – none at this time. Please contact President Gorsegner with any recommendations.
6. Appointment to the Zoning Board of Appeals – none at this time. Please contact President Gorsegner with any recommendations.

New Business: ***Discussion and Possible Action on the Following Items***

1. Wallace/McAllister motion to deny the operator's application from Connor Dubey due to 2 or more alcohol offenses in 3-year time.
   Sgt. Lepak's compared the results of the background check and where the violations do not meet our current ordinance. She also acknowledged that multiple other municipalities have similar ordinance rules, that our rules follow the standard. With current standings Mr. Dubey cannot reapply until 2027.

2. Profit/loss report on the Hot Dog & Heroes event- Fire Chief Gartzke summarized that this event was created to establish a local fundraiser in Palmyra rather than only volunteering at fundraising events hosted by partner departments. The Palmyra Fire Rescue Association, a 501(c)(3) organization, was established to support these efforts, and additional information regarding the association's mission and purpose will be presented at a future meeting.
   Concerns were raised by the board regarding the funds raised at the event, specifically who the event benefited, and number of responders being on the clock during the event. It was also noted that donations from Mr. V's and Jim & Judy's were not included on this report, as well as the use of Village equipment. Chairwoman McAllister recommended that the newly formed Association consult with the Friends of the Library group regarding how they manage filings and fundraising events for a 501(c)(3) organization.

3. McAllister / Wallace motion to approve a conditional use permit application from Thomas Holcomb Post 304, 115 N. Third Street, for a façade remodel on their building for parcel number 171-0516-2242-013.
