

From the Clerk/Treasurer's Office

Monthly report October 2026

- ✓ Third Quarter water bills have gone out
- ✓ Working on budget
- ✓ Waiting for the board to decide what projects and how much we should borrow for so this can be put on the 2027 tax levy as debt. A discussion with Ehlers will need to take place. If you want to borrow and levy for the debt payment this needs to happen ASAP.
- ✓ Heather is helping Scott with some of his DPW projects. There is a lot more than anticipated.
- ✓ Worked with the garbage/recycle company on our 2027 calendar for pick up dates, etc.
- ✓ I have met with the Rec. Director to go over her budget questions.
- ✓ Public test of the election machines took place Oct. 28th and an in person training with my poll workers.
- ✓ Taking in A LOT of in person absentee voters.
- ✓ November Election will be 1 day behind me, hopefully it all went well.
- ✓ Just normal Clerk/Treasurer daily duties.
