We're working with a painter to freshen up the lobby. We will remove everything, get new lighting and a fresh coat of paint. I've also asked him to bid painting the wall on the right of the ramp and the handrails leading to the entrance. I've also asked for a quote addition for the Community Engagement Center.

We've received a quote from Sheppard's Flooring for upstairs and one for the lobby.

We received a Keurig coffee maker as a donation. We now offer coffee, cocoa, hot cider or tea for $1.00. I won a grant for $300 to help cover the cost to upgrade the handrails in the lobby.

I'm working with the owner of the mobile in the lobby. It will need to be removed for the painting.

We've changed over to the fall decorations in both children's and adult library.

The book sale was completed. Books that had been through two sales were donated to St. Vincent de Paul. One box of soft cover books was donated to the Jefferson County Jail.

Dave Hofer has us on the schedule to complete the electric upgrade for the new heat tape by the ramp/entrance.
