Fire Chief's Update – October 2026

Total calls for service – 306

Of note:

Chief Gartzke on behalf of Palmyra Fire & Rescue presented Hiker Eva Broderick and JECO Emergency Dispatcher Breanna Pape with life saving awards. Eva and her boyfriend (at the time) Nicholas Broderick were hiking in the Kettle Moraine Forest when a tree they were next to took a direct lightning hit rendering them both unconscious. When Eve came to, she discovered that Nicholas was not breathing and had no pulse. Between Ea, Breanna and our emergency services Nicholas is alive and well today.
