WIS 175 Improvement Project; ID 3364-02-33

Public Involvement Meeting Notification

A Public Involvement Meeting has been scheduled for April 10th, 2025. The meeting will be held at the Theresa Town Hall, N8679 Co Rd P, Theresa, WI 53091 at 6:00pm. A short presentation will be given at 6:00pm.

The purpose of this meeting will be to discuss the plan to replace the pavement from Menomonee St. to Depot Rd. in the Village of Theresa. The project will include replacing the curb & gutter, select sidewalk, storm sewer, as well as the water and sanitary lines along WIS 175. The bridge over the Rock River is planned to have the deck replaced and staged in halves to maintain local traffic. This project will also include the resurfacing of pavement on WIS 175 between Hochheim Rd at the County Line to Menomonee St. Within the resurfacing project limits, several culverts are planned to be replaced.

During most of the project, traffic on WIS 175 will be officially detoured using WIS 33, IH-41, and WIS 28. Businesses and residences will be accessible in Theresa during construction. The work is anticipated to begin 2027. You can view more information about the design at the following website:
