Process for holding a Virtual Meeting

2. All votes must be taken by roll call.
3. Members of the public body must be clearly audible to each other and to members of the public at all times.
4. When holding an executive session remotely, the public body must still take all required procedural steps for entering into executive session in open session. At the beginning of the executive session, each public body member participating remotely must state that no other person is present or able to hear the discussion at the remote location, unless the public body has approved the presence of that individual.
